Beautiful Shore Flight - Olympic Peninsula, Washington

“After few days of heavy rain and wind, I finally had beautiful weather at Olympic Peninsula. I took off from Sequim Valley Airport and flew over gorgeous shoreline of the north part of peninsula. Many thanks to Andy Sallee (owner of the airport) and John Rollston (owner of Sequim Valley Aircraft Inc.) for letting me use the airport and hangar space during my stay. I should be coming back soon there with my trike friends.”
